## Weekly Devotion from Pastor David

---

You have heard the phrase, "We are all in the same boat" before I am sure.

Jesus is in the same boat as the disciples in the midst of a storm.

They wake him with the cry, "Do you not care we are perishing?"

Do you think that includes Jesus? Why or why not?

This past year showed us that we might think we are in the same boat, but were we really?

Quarantining, frequent hand washing, social distancing all required something that not everyone might have had.

What if you have to work (hourly- no work- no pay)?

What if water is an expense, or not as accessible as going to a tap whenever you need to?

What if you don't have a place that is all your own, a multi-generational household, or a group living arrangement?

How might we respond to their cries?

How can we share the love of God that means something to them in their moment of need?

How do you already respond to the needs around you?

How might you grow as you are able?
